A SEWING HERITAGE... TODAY

## Model FR101

The Frister family has a proud heritage of professional sewing machines and overlockers. Patented and manufactured to the highest standard – this is what reliable sewing is all about.

**The FR101 is a smooth running high speed flat machine, now driven by our new silent running motor that uses 70% less electricity than conventional AC motors, reducing costs, carbon footprint and operative fatigue.**

*Frister + Rossmann*  
*'Sew Much Better'*

frister+rossmann have a policy of continuous improvement and specifications, designs and colours may vary from illustrations.

*Also Available,*  
***Walking Foot, Zig Zag, Needle Feed, Overlockers & Blindstitch Machines***
